Pastor Phil Campbell
Prescription for a Healthy Church
Acts 2:42-47

Welcome to Faith

Helping you connect and grow spiritually through Worship, Instruction, Fellowship, Caring, and Evangelism, using the Bible as our guide.

If it were up to most of us, we would avoid any and every trip to the Doctor's Office. Yet we still schedule the dreaded appointments, regardless of our ailment, and anticipate with a bit of anxiety even if it is just an annual health check-up. If we as a church were to be evaluated in a heavenly clinic and the Great Physician were to check our vitals what would He prescribe for us here at Faith? Are we staying in line with our spiritual health plan? Are we dieting and exercising according to the care plan prescribed to us in the scriptures?

Pastor Phil Campbell

We're glad you're here today!

Whether this is your first time at Faith or if you come regularly, we'd love to hear from you. There are Connection Cards in the bulletin that you may use to let us know you're here, sign up for events, add prayer requests to our prayer chain, and request a copy of today's message. Just drop it in the offering bag or the drop slot in the East Foyer. Thank you!
