## A WORD FROM OUR PASTOR

Welcome to worship at Faith!

Often, reading about another person's ancestors is an exercise in boredom. But there are a couple of reasons to pay attention to the record of Adam's "family tree."

- 1) It's also our family tree – albeit way back on the lower branches.
- 2) The life-spans of these early relatives of ours are incredibly long!

We're going to talk about truth from our "Family Tree" in our teaching time this morning.

Pastor Marty Giese

Nairobi, Kenya is the next stop before flying down to Mombasa to spend time with World Venture missionary, Carol Wood, and be involved in her ministry. We arrive back in Charlotte on March 31 - having fulfilled our dream to go back to Africa one more time. Thank you for your very generous gift to make this possible!
